God's Mountain

In 1994, Johnny Williams (a Midland Ministries staff member) heard of an old boys' camp located in the bluffs south of St. Joseph. This camp had been abandoned and was in a terrible state of disrepair. After much prayer Johnny and his wife Pam started the process of fixing it up again. After much hard work and volunteer help, they were able to hold a week of guys' camp in 1995. Since then, God has provided the means to do amazing things at God's Mountain. Although there is still much to do, God definitely has his hands in the work and ministry of God's Mountain.
