

Summer Servants 2018 **Teen Intern Positions**

Teens For Christ

Positions Open May-August 2018

Teens and college students encouraged to apply

Teens For Christ is looking for teens who have a desire to work on our staff for the summer. Those accepted will work alongside our staff helping prepare and run some of the following events:

Teen Leadership Camp

Bible Camp

Vacation Bible School trips (4 weeks)

Missions Trip to Belize

Young Preachers Trip to Canada

More...

Interns will be asked to work before and after trips and to attend a TFC staff meeting.

Two financial options:

Volunteer

Interns may choose to not receive pay for their service. If this option is chosen, TFC will reduce the rate for each event the intern participates in.

Raise Support

Interns will be allowed to raise up to \$200 a week above the cost of the Events in which they participate. They will be expected to raise their own income through supporters in the same way each of our staff does. People love to give gifts in support of teens they see as leaders.

This is your opportunity to experience ministry life!
