## Covid 19 Plan

### From TFC

- Hand Sanitizer will be available.
- If snacks are served it will be individually wrapped.
- Refreshments will be served outside after club.
- Social distancing will be practiced and encouraged (6 ft)
- The first 7 weeks will be outdoor events, two of the messages may be indoors due to mosquitos or darkness.

### Teens:

- Have you had close contact in the last 14 days with someone with Covid 19.
- Do you have a fever, headache or an increased cough in the last 7 days. **Stay home if the answer is yes for either of these questions.**
- Is it raining outside? Rain may cancel our event, so call if weather is questionable.
- Cough or sneeze inside elbow and never towards others.
- Masks are required for indoors. We will assume you are among the many exemptions to the mask mandate if you are not wearing one. We have many families with divergent views about mask wearing. It is my prayer that we can find grace and love for all, and assume the best about each other in all situations.

Some of these rules may be relaxed as the fall progresses.

**If you have any questions please give Elisha a call**
