Covid 19 Plan

- Hand Sanitizer will be available.
- If snacks are served it will be individually wrapped.
- Masks are required for indoors. We will assume you are among the many exemptions to the mask mandate if you are not wearing one. We have many families with divergent views about mask wearing. It is my prayer that we can find grace and love for all, and assume the best about each other in all situations.
- Social distancing will be practiced and encouraged (6 ft)
- Cough or sneeze inside elbow and never towards others.

Teens:

Please stay home if:

- You had close contact in the last 14 days with someone tested positive for Covid 19.
- You have a fever, headache or an increased cough in the last 7 days.

We are currently meeting at Valley Baptist Church, but once the governor's mandate regarding social gatherings ends we plan to return to the Fahs's house

And as a heads up to parents, if your expectation is that every person at club will always be wearing a mask, that will not be the case. We want your child to come to club, but understand if you aren't comfortable sending them

If you have any questions please give Elisha a call.
