

Nationals Fact Sheet 2021

Where: Chula Vista Resort- 2501 River Rd, Wisconsin Dells, WI 53965

When: April 21st – April 24th. We plan to depart from the TFC Ministry Center around 12:30pm on the 21st and return to the TFC Ministry Center at around 4pm on the 24th.

Costs: The cost includes the Iowa Invitational and the Regional tournament. Cost calculations assume that all quizzers will attend all tournaments, so if an attendee cannot make one tournament or another, the cost does not change, because we still have to pay for all the quizzers. The cost is as follows:

- Quizzers, assistant coaches and spectators – \$355
- Table Officials – \$315

Money for meals is **NOT INCLUDED**. We may have 1-2 meals on the road at fast food locations for the Iowa Invitational and the National tournament.

For meals at the tournament, each hotel room will work together to plan food for breakfasts and lunches, and dinners can be ordered in, eaten at the hotel, or we may travel some evenings to get meals. We will have access to kitchenettes this year, so you don't need to bring a cooler.

A \$100 registration fee is due with your registration by January 16th. A second \$100 will be due before the Iowa Invitational Feb. 26th-27th. The final balance will be due at the Regional tournament Mar. 26th-27th.

Team Selection

Team selection will be as follows: The top seven scoring quizzers will make up the Revelation all-star team, with selection being decided as described at the beginning of the year, (top three regular season automatically qualify, remaining four chosen after including mini-camp results) regardless of which league they belong to. Any member of Revelation should be aware that extra travel for practices will be involved, since quizzers will not live close to each other.

After the Revelation team is chosen, each league will field about *three* all-star teams (based on registration numbers from each league) made of the top scoring quizzers. If numbers or material coverage or other considerations require it, one or two quizzers may quiz on a team of people who are from the other league.

What to bring to Iowa, Regionals and Nationals:

2. **Do not bring any iPods, MP3 players, video games or other electronic devices.** We want you to spend your free time making friends and getting to know each other (and studying!). If parents require you to bring a cell phone, it may only be used for contacting your parents or guardians.
3. There will be no watching TV in hotel rooms on this trip at all.
4. **You may not use the hotel phones**, unless you have adult permission.

5. When you arrive at the pickup point, you will be assigned to a **bus or van** for the trip. There will be no switching vehicles.

6. Hotel rooms are assigned to you. Do not go into another person's room unless invited. In addition, there will be no girls in guys' rooms, no guys in girls' rooms, except for regularly scheduled practices for teams (or team game times, etc.). This includes adults/parents who come along as chaperones. Please do not go into your son or daughter's room unless it is a regularly scheduled team meeting and others are present.

Additional expectations for Nationals

- Masks will be required at the hotel for Nationals, so please plan accordingly.
- Every quizzzer will be assigned a room (usually with other members of his/her team, if possible). No changes to rooming list will be considered or accepted unless authorized by Kim Cooper. **Quizzers may NOT stay with family, friends or elsewhere** during the National tournament, even if family is staying in a room in the same hotel.
- All quizzzers **MUST** ride the bus/van for the trip to Nationals. Families who come to nationals may choose to take their kids home separately if desired.
- All coaches, assistant coaches and quizzzers **MUST** remain for the entire tournament, even if their team does not qualify for the championships. If families intend to take vacations, they should be planned in such a way that families may leave after nationals is complete. Quizzzers will not be allowed to leave nationals until the tournament is complete.
- Everyone registering with TFC will be assigned a room. For adults, private rooms cost extra. For spectators, it is often cheaper to register at a nearby hotel and commute (if you have a vehicle). Table Officials, however, **MUST** register with TFC and stay in the assigned room. Coaches and assistant coaches will be assigned rooms with members of their team.
- All quizzzers **MUST** register by the January quiz. Registrations received after the January quiz will not be accepted. This registration must include \$100, which will be refunded if quizzzer does not qualify for nationals. The money will **NOT** be refunded if a quizzzer qualifies but chooses not to attend for any reason.
