Quiz Team Registration Form

Note: TFC reserves the right to ask a team to change a name that is unbiblical, demeaning or inappropriate to the goals and purposes of Bible Quizzing. We encourage teams to choose a name that is consistent with, and based on the text being studied each year. **Team Names are not official** until approved by TFC, and in the case of teams with similar names, the first team to submit a completed registration form and payment (for non-TFC Bible Club teams) will be allowed to use that name. Other teams requesting similar names will be asked to change.

Any team not based in a Teens for Christ Bible Club should include a \$30 registration fee with this registration form.

Teams must be registered by the Monday before the first quiz. We will, of course, accept registrations after that date but need as much lead time as possible to ensure that everything is ready for the October quiz. (The more rushed we are when arriving at this quiz, the more likely we are to have mistakes, start later than scheduled, be irritable, etc.) The first paid registration form received with a particular team name will be given that name. Once a team name has been confirmed, later teams seeking the same or a similar name will be asked to change their name. At the discretion of the Quiz Director, teams that have used a name in the past may be given preference for that name.
